

**A porch to
suit every type
of home**

Inspirational porch designs

There's an Archer porch for every type of property from mid-terrace town house to luxury detached residence.

Every Archer porch is individually designed and made to measure to suit the style of your home

Every home has its own unique style and character, and first impressions are so important. That's why every Archer porch is individually designed and custom made from top quality materials by our team of professionals to create the perfect entrance to your home.

As well as getting valuable additional space, your home will also benefit from a new security barrier and greatly improved insulation against both noise and cold winter weather.

Rest assured that we'll take care of everything, from the base-build and brickwork through to the internal plastering and electrical work and the fitting of the door, windows, panels, roof and guttering.

"Your people have not only been highly professional, but also very helpful and very friendly. It has been a joy and pleasure having them work at my home"

Graham Scott
West Bridgford

"A first class job"

James & Doreen Chapman
Southwell

So why choose an Archer porch?

Archer help and advice

Everyone has their own idea of what will make their home perfect, and from your initial enquiry our friendly and knowledgeable advisor will guide you through the process of turning your dream porch into reality.

We understand that when it comes to making home improvements, good communication is vital. So no matter what design you have in mind, simply talk to us. Even if you can't find it in our brochure, the chances are that we can still do it... and probably have done already!

Archer trust and assurance

Our advisors and installation teams are all professionals with many years of experience. You can rest assured that the quote we provide at the outset will be the price you'll be asked to pay on completion. And we'll explain and write down full details of all our costings before you sign.

Archer pedigree

Most of our customers come to us through personal recommendation. We don't use gimmicky promotions or high pressure selling - we simply ask you what you'd like, then work out how best to deliver a porch that blends seamlessly with your home, and does everything you require at the right price.

Furthermore we guarantee customer satisfaction, and pride ourselves on cleaning up and leaving everything spotless once the project is complete.

Archer guarantee

We're so confident with the quality of our work that we give a unique lifetime (10-year) warranty on all parts and labour.

Archer aftercare

Our dedicated maintenance department is your guarantee of exceptional aftercare.

Building regulations

Porches are not usually subject to planning permission or building regulation approvals, providing the floor area is less than 3m² and the porch is not built closer than 2m from any boundary fronting a road. Should your proposed porch require planning consent or building regulations approval, we have in-house expertise to help you with the process.

A NEW ARCHER PORCH WILL BLEND SEAMLESSLY WITH YOUR HOME

We really do have a porch for every home

There's so much more behind an Archer door

As well as every Archer porch being uniquely designed to suit your home and budget, we also offer a range of entrance door and window finishes for the perfect finishing touch.

We've many different styles and colours in our huge range of composite doors - **with more design options available - you only have to ask.**

A secure front entrance door means a more secure home...

An Archer entrance door not only offers you a great choice of designs and colours – it also incorporates high security features such as locking mechanisms, hinges and handles.

An Archer entrance door ticks all the boxes

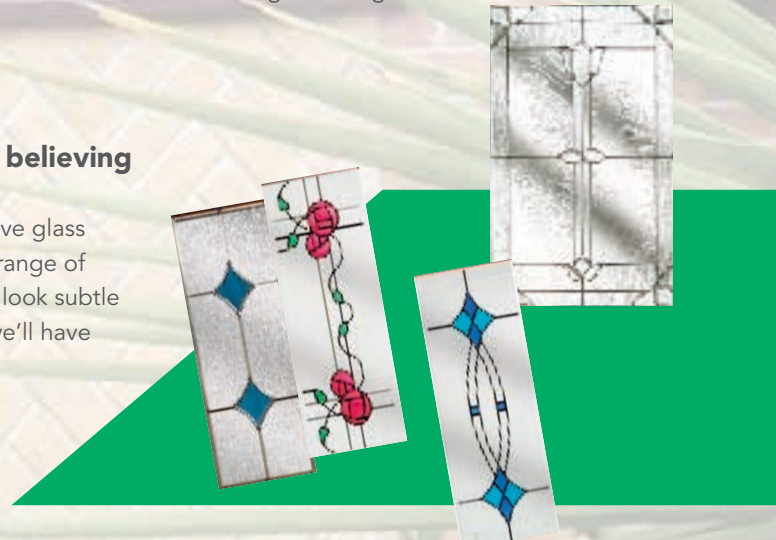

- Great appearance, great value
- Range of styles and colours
- High level security
- Fully weather resistant
- Energy efficient to keep your heating bills down
- Sound insulated
- Durable and long-lasting
- 10 year warranty

The finishing touches... it's your choice

Every door comes complete with multiple options of furniture colours and glass designs.

When seeing is believing

Why not enhance your door or window panels with decorative glass that complements your personal taste? We provide a huge range of styles for every door or window, and whether you want it to look subtle or striking, in clear or coloured glass, you can be sure that we'll have the choice for you.

"The workmanship is second to none and everything was installed with the minimum disturbance"

Mr & Mrs M Richardson
Beeston

High security windows with energy-efficient glazing

Archer offer a huge range of window options for your porch design, all of them including SGG EcoClear - the most technically superior heat-efficient glazing solution available, giving up to 3x more thermal insulation than standard double glazing. Each opening window will be fitted with latest generation high security locks and hinges, and are fully welded and internally beaded to prevent burglars from removing the glazing to enter your property.

Your porch will be fitted with Archer energy efficient double-glazed units and door seals which will reduce your energy bills and draughts.

A porch adds another protective layer and can make a massive difference to your home. It helps keep the warmth in and the draughts, noise and burglars out!

...you'll be so pleased you chose an Archer porch
